

The College fulfills its mission as determined by the extent to which the institution:

#1) Engages in programs and activities that expand access to higher education for all

#4) Prepares individuals for employment in a variety of careers in business, the health sciences, and public service

Potential ways of assessing:

- a. Job data from graduate survey (Linked in)
- b. Job data collected at the program level

#5) Serves as an entry-point for bachelor degree programs by providing the first two years of a four-year program

Potential ways of assessing:

- a. Transfer data

#6) Provides economic development and continuing education activities to meet the needs of business, industry, and government

Potential ways of assessing:

- a. Data from Corporate, Community and Continuing Ed Coordinator
- b. Data with regard to Program Advisory Committees

#7) Collaborates with visual and performing arts organizations in the community to elevate the human spirit

Potential ways of assessing:

- a. List of community events held at NCC (political visits, etc.)
- b. Lecture Series data
- c. Data with regard to auditorium usage: performances, concerts, etc.
