Program Outcomes

This Certificate provides students with the major courses required for entry level position, as well as providing them with an entry point for the continuation of studies. All Certificate courses have been incorporated into the first year of the Degree Program.

A Certificate in Human Services prepares students to work with individuals who are consumers of the human services delivery system, providing them with direct services and linking them with other community services and resources.

The job market for human service workers has experienced tremendous growth during the past twenty years, concurrent with the expansion of community-based mental health and developmental disabilities programs for the elderly, the disabled, individuals on the autism spectrum, and families in crisis.

This program has agreements with:

- Granite State College
- Rivier University
- Springfield College of Human Services
